**D.U.I – Driving Under The Influence** – Novel

January 2014

## Overview

DUI – Driving Under The Influence is a well-crafted, character-driven novel in the tradition of classic murder mysteries. It offers plenty of he-man action, lively twists and cliffhangers, and a surprise ending. The historic Pennsylvania steel mill town backdrop provides an unusual and haunting sense of place.

## Log Line

This fast-paced, action-packed murder mystery was selected finalist in J.D. Vine Publication's fiction writing contest. David Brandt is a likeable, gutsy sports photographer who makes the mistake of having one drink too many before taking the wheel. Minutes later finds himself lost in the Pennsylvania Pocono Mountains crouched over a bleeding body he just ran over.

His life quickly takes a frightening downward spiral when he learns the man he killed was a renowned movie star, who retired to become the popular mayor of the small steel mill town nearby. Scorned by the public, abused by the police, David is charged with Second Degree Murder. Released on bail, he examines photos he took of the accident scene, sees the reflection of a mysterious observer hiding in the woods, and concludes the accident was a set-up. To absolve himself he must solve the murder.

## Publications

The book is self-published on Amazon.com:
